PROFILE

Motivated computer science undergraduate with hands-on experience in full-stack web development and desktop application development. Proficient in HTML, CSS, JavaScript, PHP, MySQL, MongoDB, and Java. Eager to contribute to real-world software projects while continuing to grow as a developer.

PROJECTS

- TechGear

Web · PHP · MySQL

E-commerce website for technology products. Built user-friendly product pages and implemented database-driven content management.
- TeachMe

Web · Full-stack

Online learning platform with interactive pages for users. Integrated frontend and backend components to deliver a seamless experience.
- ProxJavaSwingApp

Java · Swing · OOP

Desktop application built with Java Swing. Applied OOP principles and CRUD operations across clean GUI screens.
- Library Management System

Web · Database

System to manage books, users, and borrowing records. Full CRUD implementation backed by a relational database.

- Tourism Web Application

Team · Responsive

Collaborative tourism website with responsive design and improved navigation for an enhanced user experience.

EDUCATION

- SLIIT City University

BSc (Hons) Computer Science — Undergraduate
- MO/Bandaranayaka National College

G.C.E. Ordinary Level (O/L) & Advanced Level (A/L)
- ESOFT Metro Campus

Basic Certification in Cambridge English

SKILLS

- LANGUAGES

JavaScriptPHPJavaC
- WEB

HTMLCSSResponsive
- DATABASE

MySQLMongoDB
- CONCEPTS

OOPCRUDFrontendBackend
- TOOLS

GitHub
- LANGUAGES
